

Steps to Configure/Run Institute Remote Access on windows

Remote Service is available to access the online content procured by the Institutes' Central Library for our users from outside IIT Mandi campus. To use Institute's remote service, you need to make few changes in your proxy.

You need to change your proxy setting from **Manual proxy configuration** to **Automatic Proxy Configuration**

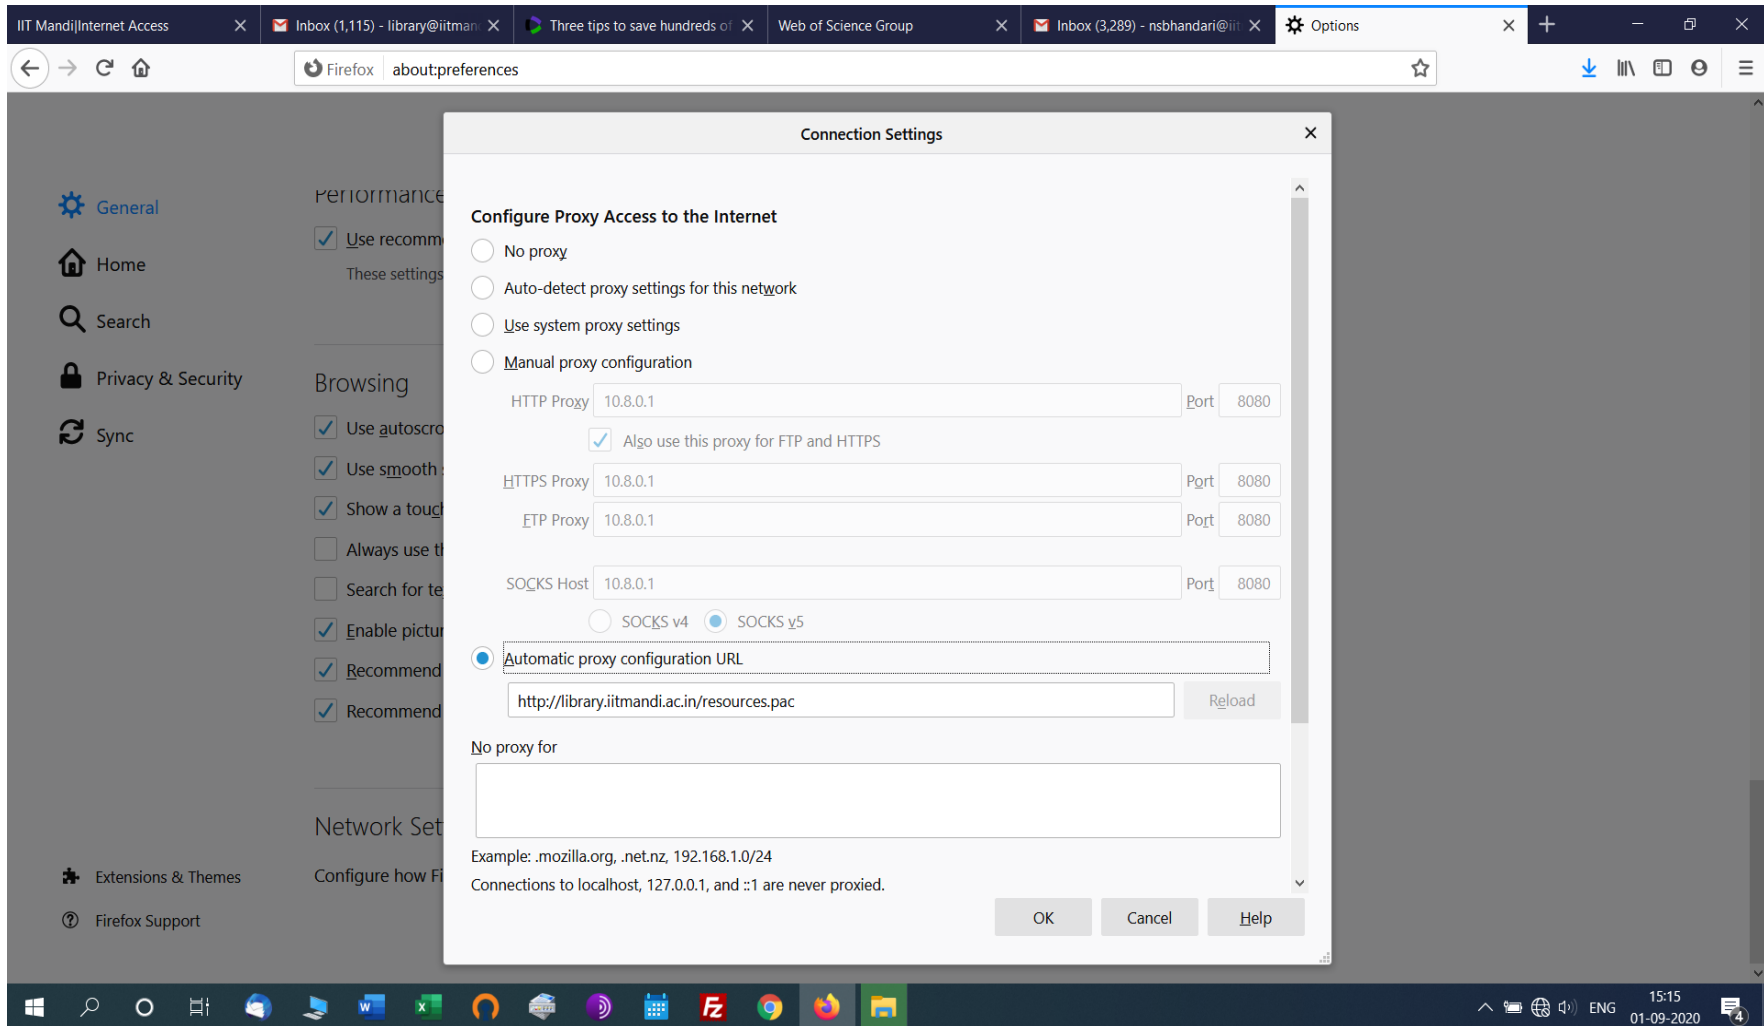

Please fill the blank box with below mentioned link:

<http://library.iitmandi.ac.in/resources.pac>

Details for some common web browsers is given below:

- Mozilla (Linux): Edit -> Preferences -> Advanced -> Network -> Settings -> Automatic proxy configuration URL
- Mozilla (Windows): Tools -> Options -> Advanced -> Network -> Settings -> Automatic proxy configuration URL
- IE: Tools -> Internet options -> Connections -> LAN settings -> Use automatic configuration script
- Safari/Mac -> System preferences -> Network -> Advanced -> Proxies -> Configure proxies -> Using a PAC file
- Android -> Settings -> Wi-Fi -> Visible Device -> Modify network -> Advanced options -> Proxy Auto-Config -> PAC URL

Example regarding Mozilla (Window) has been given below:

Then Click on <http://library.iitmandi.ac.in/resources/login.php>
